Boarding Drop Off Check in Sheet

All vaccines must be current, and your pet must be flea free and internal parasite free.

Brand of flea prevention used: _____ Date of last administration: _____

If these are not current, Cary Street Veterinary Hospital has permission to treat your pet(s) upon arrival. **Please initial** _____

If any services including vaccines, deworming, fecal, and bloodwork are due within the next two months, would you like them to be updated while your pet is boarding?

The receptionist can provide you with a list of what updates are coming due.

Circle one: **YES** **NO**

Do you have any concerns today that you would like to have addressed by a veterinarian while your pet is boarding? (Coughing, sneezing, vomiting, diarrhea, limping, not eating, etc.) Please explain. Exams are \$59.00; this charge does not include any diagnostics, treatments, or medications. _____

Does your pet have any other health issues, injuries, or behavioral problems? (For example - wounds, diabetes, cage aggression, sensitivity to thunderstorms, etc.) If so, please provide any item or medication used in treating this problem. Please explain. _____

Does your pet have any allergies that you are aware of?

Circle one: **YES** **NO**

If so, please explain. _____

Does your pet have a history of chewing or eating bedding/furniture/foreign objects/etc.? Circle one: **YES** **NO**

Are any medications necessary while boarding (include vitamins or supplements)?

Circle one: **YES** **NO**

- Medicated boarding is an additional \$9 per night.
- Please bring all medications in their original packaging.
- If your pet needs injections, there will be a charge for each injection.
- If giving an injectable or topical medication, please indicate the administration site and if the location site changes. If the location site does change, please indicate the site of last administration.

Please ask the receptionist for an additional medications sheet if necessary.

Cary Street Veterinary Hospital supplies food, water, bedding, and toys. We ask that no personal belongings be left with your pet. Although we take the highest precautions, if you decide to leave any belongings, they could possibly get confused in the laundry and therefore may not be returned.

At Cary Street Veterinary Hospital, we feed Purina EN to all dogs staying in our kennel and Science Diet Sensitive Stomach to all cats staying in our cat ward. Would you like us to feed our food while your pet stays with us or did you provide your pets own food?

Circle one: **HOSPITAL SUPPLIED FOOD** **I PROVIDED MY PET'S FOOD**

Please tell us what your pet eats at home (even if he/she will not be eating that here)

including the amount and when last fed. Normal Diet fed: _____

Amount fed: _____ Times fed: _____

Does your pet need to be fed today? **YES** **NO** Time: _____

What is the best number to reach you if there are any questions concerning your pet?

One of the advantages of boarding your pet at a veterinary hospital is that medical care is readily available. Should the need arise, Cary Street Veterinary Hospital will call the contact number listed above with any information regarding your pet while they are in our care (i.e. behavior issues, illness or injury, exam/diagnostic findings related to routine wellness care). If you are unable to be reached, please list a contact person below who has your permission to make decisions for your pet.

Initial one:

____ Perform whatever services the doctor deems necessary until I may be reached.

____ Do not perform any medical treatment until authorization is given by myself or my contact if I can not be reached.

Contact name: _____

Contact #: _____

I give permission for my pet to board with another family pet. Initial _____

A boarding bath will be given after your dog boards for 3 nights or cat boards for 5 nights. The fee for a boarding bath is dependent upon the size of your pet (over 90lbs=\$49, 50lbs-90lbs=\$28, under 50lbs=\$25, and cats=\$25).

ON THE DAY OF PICK UP, YOUR PET WILL BE READY AFTER 3PM. If you are going to pick up your pet before 3pm, please call first to be sure that the bath is done.

Are there any special instructions for the team to help your pet feel at home?
